IT SUPPORT SOLUTIONS

The Secret is to hire an IT Support Company that...

- Monitors your Network 24x7x365
- Can provide INSTANT support whenever a need arises
- Charges a Flat-Rate for Monitoring and Remote support
- Treats you as if you were their ONLY CLIENT!

If you have fewer than 25 employees and rely on your office network to perform at its peak call **The Computer Guys of Greenwich** today and see how we provide a superior level of service at a fraction of the cost of ANY OTHER support solution available!

Network Monitoring

You should be using a reliable, web-accessible Network Monitoring Dashboard to see up-to-the-minute status on all critical areas of your network:

- Backup Status
- Antivirus updates
- Custom Programming
- Hacker Attempts
- Disk Space Utilization
- System Event Logs

Remote Support and Maintenance

Don't wait for a technician to arrive when you need support. That will make minor problems become big losses in productivity.

The Computer Guys of Greenwich will address problems, both large and small, remotely and INSTANTLY!

If your current IT Support Provider is not meeting your needs;

Call **The Computer Guys of Greenwich TODAY**, we will improve the reliability and performance of your network, and do it for LESS than you're paying now! **1-800-580-2158**
